

JC Estate Planning for Professional Athletes

An in-depth tax service that won't miss even the smallest of details in compliance with multiple state and city tax duties. A partnership built on mutual understanding of the language and culture that avoids the language barrier and cultural misunderstanding in receiving personalized services.

From estate planning to daily services such as bill pay, our comprehensive service to athletes covers a wide spectrum of personal, financial, and legal needs. With us, you can solely focus on your professional transition and growth in the big league.

1. Designated CPA for Continued Communication
