

JC&Company

Korean Practice

For Korean companies entering the U.S. market, understanding the complicated U.S. legal and tax system is among many other challenges they will face. This is where JC&Company's insight and guidance can help.

Our bilingual professionals, both CPAs and attorneys, have an in-depth knowledge of the U.S. and Korea's corporate and market regulatory environment. With substantial experience working with a number of reputable Korean companies, JC&Company's professionals understand the issues an international expansion presents and provide a broad range of Audit, Tax, and Advisory services to assist in a seamless transition to the U.S. market.

| How we can help |

1. Designated CPA for Continued Communication
2. Managing and Monitoring Check Receipts and Bill Payments
3. Cash Flow Management
4. Tax Planning Assistance and Compliance
5. Estate Planning and Monitoring
6. Negotiation for Real Estate and Major Purchases
7. Insurance Review and Coordination
8. Monthly Briefing in Korean, if requested
